BERTETTA, MOONEY ARE ELECTED

EAGLES FETE POLICE OFFICERS AT ANNUAL BIG TIME "DOINGS"

Three Hundred Members Attend Gala Banquet

An Italian spaghetti feed, complete with soup, salad, ante pasto, entree, dessert and beverage and various and sundry trimmings brought close to 300 members of the local Eagles aerie to the clubhouse last Thursday night for the lodge's annual Police Night celebration.

Guests of honor were members of the local police department and of the highway patrol, as well as Senator Harry Parkman and Tommy Gosland, past president of the state Eagles organization.

Hugo Lazzarini, chief premiere of the Exposition Fish Grotto, lent to the aerie for the evening, was assisted with his gastronomical preparations by Fred Collins and Augie Benassini. Harold Varni, maitre d'hotel, and his corps of waiters, Lloyd Minahan, Charles Eagen, Walter Swope and Ed Heim, refilled plates, cups and glasses before they were emptied.

Arthur Bodien, master of ceremonies for the evening, introduced Parkman and Gosland and Judge Bill Sweeney, who spoke on the efficiency of local police work and generally on the growth of F.O.E.

Entertainment was for the most part impromptu—contributed by Arnold Pastori, of the Department of Motor Vehicles, by James Smith and Bill Bolger, and by the Eagles' hayseed players, the Hillbilly Band. A cast of professional entertainers also added to the evening's diversion, as beverages and snacks disappeared by the tray-load.

Spokesmen for the assembly of diners gave much credit for the affair's success to Otto Schramm, John Hanlon, Bill Sunderland and August Benassini, their hard-working hosts.

Jeff Hi Music Club To Present Concert Friday

The music club of Jefferson Union High School, one of the most active groups on the campus, will present its annual concert and variety show at 8 p.m. this Friday in the school auditorium.

Under the direction of King Stevens, music instructor, the club has prepared a versatile program of music and novelty attractions, ranging from swing to classics and from vocal renditions to dance routines.

Pat Austing and Susannah Wilson will be accompanists for all but the band numbers.

The program:
Concert band—"March of the Trojans," Van Buskirk, and overture, "The Barber of Seville," Rossini.

Majorities—Indian Dance, Vocal duet—Gloria Hanchey, Bill Denton, "If You Were the Only Girl in the World," Ayer.

Freshman chorus—"Battle Hymn of the Republic," Steffe, and "Desert Song," Romberg.

Piano solo—Pat Austing, "Fantasy Impromptu," Chopin.

Vocal solos—Bill Denton, "Golden Earrings," Young, and "I Have But One Heart," Farrow.

Majorities—"Sailor's Hornpipe," Dance.

Mixed chorus—"Stouthearted Men," Romberg; "God of All Nature," Tschakowsky; "My Hero," O. Strauss, and "Summertime," Gershwin.

Accordions—Bob Lynch, "Dark Town Strutters Ball," "Star Dust," Carmichael, and "Sharp Shooters March."

Majorities—Hawaiian Dance, Girls trio—Virginia Marsh, Helen Plate, Susannah Wilson, "Whiffenpoof Song," and "Now Is the Hour."

Yodeling cowgirl—Doris Parodi, "I'm Gonna Drink My Java," and "I Want to be a Cowboy's Sweetheart."

Dance band—"Thoughtless," Lampi; "Dance, Ballerina," Sigman, and "Blue Skies," Berlin.

Dance duet—Lorraine Remmer, Bettie Duffy, "The Shiek of Araby."

Vocal solos—Arlene Anderson, "The Stars Will Remember," and "It's Dream Time."

Harp solos—Lee Oberg, "Sonatina," and "Prelude," Tournier.

Majorities—twirling routine.

Pub. Schools Week To Feature Open House, Program

Dr. Herman Spindt, director of admission for the University of California, will be speaker April 27 at the Public Schools Week program in the Jefferson High School auditorium.

April 26-30 will mark the observance of Public Schools Week at all schools in the Jefferson district, including both the high school and the elementaries. Exhibits of work will be furnished by all departments of the respective schools for public inspection, and visitors will be welcome in classes throughout the week.

Crocker, Pershing and Jefferson Elementary schools will remain open during evening hours for the benefit of working mothers and fathers.

The Tuesday night program at the high school, according to Superintendent Stanford Hannah, will feature performances by the school band and orchestra, and the Crocker PTA Mothersingers, as well as the guest speaker. The program begins at 8 p.m.

Local Youths Arrested On Theft Counts

Two Daly City youths were turned over to juvenile authorities last Saturday by the local police department after their arrest for an auto wrecking establishment burglary.

The boys were apprehended by Sergeant Roy Beecher and Officer Dave Johnston at the P. and M. Auto Wreckers, San Bruno avenue, where they were attempting to sell automobile parts. Admitting the burglary of the Daly City Auto Wreckers garage, the youths denied an additional charge of malicious mischief concerning alleged destruction of property in the garage.

The theft was reported earlier by Frank Catania, employee at the local garage.

Colma Housewife Shoots Spouse In Family Quarrel

Edwin Cadwell, 45, Colma construction foreman, was reported in serious condition today at Junipero Serra Hospital after a family fracas Tuesday night in which he was shot in the right shoulder with a .38 caliber pistol.

Police Chief J. G. Reynolds said the wound was inflicted by Cadwell's wife Marjorie, 26, after a quarrel. Chief Reynolds said he was summoned to the Cadwell apartment, above Molloy's Tavern, by a frantic telephone call from the pretty, blonde housewife.

"Come on over, Joe," she said. "I've just shot Ed."

When he arrived, the police chief said, Mrs. Cadwell was standing against the wall, holding the pistol. Cadwell lay in a pool of blood on the hallway floor.

"I'm hurt... I'm hurt," he repeated.

Two of Mrs. Cadwell's three children by a previous marriage, asleep in an adjoining room, slept through the shooting. A third, Larry, 7, was awakened by the noise and walked into the room.

Relating a story of the incidents which allegedly led to the shooting, Mrs. Cadwell, her husband's fifth wife, said:

"She and her stepson, a young army veteran, had been playing rummy in the living room, while Edward sulked because he had not been invited to join the game. He finally left the room and went to bed. An hour later young Cadwell left the house."

Cadwell then dressed and came into the living room, saying, "I'm going to kill you and take the kids with me. Whereupon, he rushed out of the apartment."

She became nervous and took the gun out of the bureau drawer, she said, and when her husband returned, fired twice hitting him in the shoulder once and missing the second time.

Mrs. Cadwell is being held in the county jail on an investigation charge filed by the district attorney's office.

nance man, according to the board, are the maintenance of water department equipment and installations, and of police, fire and street department equipment and installations.

Another examination will be given in the near future for preparation of an extra list for city janitor and gardener. Applicants must be between the ages of 21 and 60, and must submit a satisfactory health report. Principal duties are janitor and gardening work on the premises of the city hall and the municipal library.

ONLY TWO WEEKS REMAIN FOR FINAL MAY DAY PREPARATION

Hour-Long Parade Through City Will Hi-lite The Affair

With only two weeks remaining before the clubs and organizations of Daly City parade through town in festive spring regalia, the May Festival committee and its sundry sub-committees are buckling down today to an ever busier routine of preparations and rehearsals.

The list of entries in the parade and program was just about complete, in preparation for the business of final assignments and instructions at next Monday night's meeting. Chairman Elman Rose and his parade and program chiefs, George Wheeler and Bunnie Carroll, had their heads together over an intricately figured time schedule. The parade, they calculate, will last from 12:30 'til 1:30 p.m. Allowing half an hour for seating and patronizing the concessions of the high school football field, the program will commence at 2 p.m. and will last approximately three hours.

According to Rose, the high school bleachers will accommodate some 1300 spectators. Sections of the grounds will be roped off to provide standing room for the expected huge overflow.

Thirty or more representatives of the organizations intending to participate in the festival will meet with the committee at 7:30 p.m. Monday in the council chambers at city hall, to receive final, detailed instructions on mobilization and placement in both the parade and the program. As the plan now stands, units of the city government—the police and fire departments and the city's official car—will lead the parade. Final appointment of places in the long procession behind them have yet to be made.

In case of rain, the entire festival will be carried out as scheduled, one week later.

Organizations which have declared their intentions to participate are:

Girl Scouts, Boy Scouts, combined Parent Teacher associations, elementary schools, high school, National Institute of Music and Art, City of Daly City, Fire and Police Departments, Daly City Band, Mothersingers, San Bruno Tyroleans, Daly City Broadmoor and Colma posts, American Legion, American Legion Auxiliary, V.F.W. Auxiliary, Hillcrest Circle, Druids, Daly City - Colma Lions, El Carmelo Parlor, N.D.G.W., Dolores Parlor, N.D.G.W., San Francisco Aerie No. 5, Eagles, Golden Gate Aerie, Eagles, Colma - Vista Grande Aerie, Eagles, Job's Daughters, Bethel 26, Royal Neighbors, Daly City Dance School, El Camino Riding Club, Mar Vista Riding Club, and San Mateo County Sheriff's Posse.

City Clerk E. A. Weisenberger served three years in the C.B.I. with the U.S. Army. At the present time, he is attending the San Francisco Art Center where he is taking an extensive course in stage and motion-picture design, under the direction of J. Paget-Fredricks, noted artist and author.

"Braziliana" will present a bevy of Jefferson's most attractive girls as dancers and models, displaying among their stunning South American costumes. These, plus rhythmic, precision swimmers and divers will be woven into eye-pleasing formations and patterns, forming many beautiful production numbers.

The dates and admission prices of this "not-to-be-missed" presentation will be announced in the near future. Watch your Daly City Record for further notices.

Colma Ballots Found By Police

BULLETIN — A package containing 150 ballots—those discarded missing from the Colma election paraphernalia Tuesday morning—was found late this afternoon by Police Chief J. G. Reynolds.

The package was found under the seat of the police car, some 40 hours after its disappearance was reported. The police chief said he was baffled by their reappearance in his car.

City Clerk E. A. Weisenberger had stated previously that the ballots were included in the paraphernalia when he received it.

Silicani Gets Year For Golf Club Burglary

Robert Silicani, youthful Daly City burglar, twice jailed on felony theft counts, was sentenced to a year in the county jail Monday by Judge Aylett R. Cotton in superior court.

Pleading guilty at his arraignment, Silicani waived time for sentence and heard his penalty, which reduced the second degree burglary charge to a misdemeanor.

The 21-year-old localite was charged with the March 8 burglary of Lake Merced Golf clubhouse just two weeks after his confinement for violation of parole.

Counsel for the defense was John J. Fahey Jr., of Daly City.

Council Accepts Improvement Bond Bid Monday Night

The proposed \$5 million Pillar Point Breakwater at Half Moon Bay received the written endorsement of the Daly City council Monday night at its first April session at city hall.

The council's support of the project, which would require some \$5,500,000 of federal funds, was given in the form of a resolution. Copies were sent to Senators William F. Knowland and Sheridan Downey.

The council also accepted the bid submitted for bond on improvements to Woodrow street. Bid was received from the California Acceptance Corporation of San Mateo for 94 per cent of par plus six per cent accrued interest on the \$2,316.08 project.

In other actions during the Monday session, the city council:

Received a progress payment report from the Sterling Building Company recording \$4,810.94 now payable for street improvements in the Hillside Manor subdivision;

Received a request for permission to install underground conduits in the sidewalk areas at Paul and Bismark streets and at Citrus and Niantic avenue;

Heard reports on gasoline consumption, street department and sanitation;

Referred to the city engineer and city attorney a request submitted by the Sterling Building Company for institution of annexation proceedings regarding Blocks 11 and 12 and portions of Blocks 21 and 22, described as the Abbey Homestead.

'Braziliana,' Theme Of Exotic Water Extravaganza

Colorful, romantic and exotic Brazil in all of its South American splendor, is the theme of the 1948 aqua-fantasy to be presented at the Jefferson Union High School swimming pool during the latter part of May.

According to all reports, this year's presentation, appropriately entitled "Braziliana," will top all others including "Hawaiian Paradise," Jefferson's 1942 hit which gained recognition in several of San Francisco's leading newspapers, including the Chronicle.

Mrs. Jeanne Dieckmann, physical education instructor in charge of the water pageant, has announced that this year's production is being directed under the capable hand of Roy J. DeVincenzi (former student body president, Class of '42), who is well remembered for his theatrical presentations at Jefferson. Apart from directing the show, DeVincenzi is also designing the sets, costumes and lighting.

During the war, DeVincenzi served three years in the C.B.I. with the U.S. Army. At the present time, he is attending the San Francisco Art Center where he is taking an extensive course in stage and motion-picture design, under the direction of J. Paget-Fredricks, noted artist and author.

"Braziliana" will present a bevy of Jefferson's most attractive girls as dancers and models, displaying among their stunning South American costumes. These, plus rhythmic, precision swimmers and divers will be woven into eye-pleasing formations and patterns, forming many beautiful production numbers.

The dates and admission prices of this "not-to-be-missed" presentation will be announced in the near future. Watch your Daly City Record for further notices.

11-Year-Old D.C. Boy Wins Second Prize For Swimming

Joseph L. Bocci, 11-year-old son of Mr. and Mrs. Joseph L. Bocci, Jr., 62 Cavour street, won honors for second place in the 25-yard dash at the San Francisco Recreation Department's swimming meet at Crystal Plunge last Saturday.

The meet marked the first competitive race in which Joseph ever has participated. The youthful water enthusiast has been swimming since the age of five.

He is a student at Jefferson Elementary School here.

Company To Pay Double Indemnity On Thomas Policy

Satisfactory proof of the death of Dallas Thomas, 38-year-old Daly City fisherman who disappeared early last month in his rented fishing boat, the Margie Lou, apparently was established last week with announcement by his insurance company that they would make good his double indemnity policy immediately.

Two days after the company had made the announcement, an oil-soaked duffel bag containing Thomas' papers and identification was washed up on a beach near Aptos, in Monterey Bay, providing further proof of his fate.

S.F. Man To Face Dist. The Peace Charge Here

Warren Harding Stumes, of San Francisco, will appear in municipal court tomorrow on a charge of disturbing the peace.

Complaint was signed by Officer Henry Sundermann, who alleges that Stumes became boisterous and created a disturbance when stopped for a traffic violation April 8.

Community Concert Association Shows Rapid Growth Here

The Daly City Community Concert Association, week-old offspring of a small group of music-minded residents, already is showing signs of rapid growth in its enthusiastic response to a call brought from volunteer organizers.

Today, as the association entered its third week of existence in Daly City, the crew of workers in its forthcoming membership drive was almost complete. A dozen membership captains had offered their services in the campaign, and the list of field workers was growing rapidly—predicting an all-out response to the recreation department's infant project—an annual concert season in Daly City.

Elman Rose, busy recreation director and president of the new association, said today the city's reaction to the plan has been an almost sure prediction of its success. With hardly half a month behind it, the association has grown by leaps and bounds; its campaign plan is all but completed, and workers are looking forward with assurance to its establishment as a landmark in the growth of prestige and distinction of the city.

Perhaps the reason for its obvious popularity is the consistent simplicity of the association's plan: At the core, it is a member of the Columbia Community Concerts Association—an organization peopled by a thousand other small-town members throughout the country. The Daly City association pays no dues for the privilege of membership. Columbia Community Concerts is agent for the artists' hire, and therewith draws its support in agent's fees.

The Daly City association is set up with a volunteer executive committee, to carry out its directive and paper work; a volunteer board of directors, to lend executive advice and manual assistance when called upon; a crew of membership captains, responsible for the sale of membership cards, and a draft of workers, to distribute cards and collect fees.

The executive committee, in conference with the board of directors, chooses a concert hall and determines the amount of money it may expect in sales returns. It then orders the membership cards, numbering exactly the seating capacity of the hall, and designates a week for the membership campaign.

During campaign week, all memberships must be sold. None is obtainable after the closing day. Returns are tabulated, and the committee selects the artists it can afford, according to the number of concerts desired. Every dollar paid into the association is accounted for in artists' fees and minor expenses incident to their presentation in concert.

Thus the association is a self-supporting institution operating on a sound financial basis—incurring no profit and no loss—and serving only those people who pay their fees for membership cards.

Thus far, plans for the local campaign indicate that something over \$4,000 may be available for this year's concert series. The high school auditorium, which has been chosen for a concert hall, seats an audience of more than 800. If 100 per cent membership is achieved, that number may be multiplied by the membership fee—minus the federal tax—to a total of \$4,100.

That is the amount we may hope to divide into four or five concerts, for the start of our annual concert season.

At a meeting Monday night with the membership captains, the executive committee designated the Bank of America as official campaign headquarters during the week of May 17-23, with supplemental headquarters at the Record Rack after 3 p.m. A dinner for all association workers will be held on opening day, May 17, with Mrs. Claude Hamrahan in full charge of arrangements.

It also was announced Monday night that 50 memberships would be reserved for students—at half the membership fee, plus federal tax.

Membership in the association entitles the holder to attendance at all concerts in the series. No tickets can be purchased for individual performances.

The board of directors now listed includes Mrs. Pearl Jones, Mrs. Stella Jensen, Stanford Hannah, R. L. Crane, Melford Battye, Peter Markovich, Mrs. M. Pauline Brown, Carter Callan, Joseph Leonetti, Mrs. Hohn, Mrs. Ramon Gomez, John J. Fahey Jr., and Vincent J. Murphy.

TWO NEW COUNCIL MEMBERS WILL TAKE OFFICE ON TUESDAY

Man Gets Fine; License Is Revoked For Drunk Driving

Louis Edward Bailey, 332 Parkview avenue, was fined \$125 in municipal court last Friday when he pleaded guilty to a charge of drunk driving. His driver's license was revoked for a period of 90 days.

Complaint was signed by Sergeant R. Benedetti as the result of a three-car accident on Mission street.

S.M. Sheriff's Team Pistol Star Sets New Records

Ray Ottoboni of Colma, captain of the San Mateo Sheriff's crack pistol team, announced this week that Gloria Norton, world woman pistol champion and a member of his team, has established two new national records.

The champion pistol artist established the records March 21 at the San Francisco Police Pistol Match at Lake Merced, with the .38 caliber revolver.

Her feat was performed with a 297x300 over the Camp Perry course, and a 197x200 for 20 shots timed fire.

El Carmelo, NDGW Drum Corps Takes Prize In Parade

Second prize for showmanship in the Marin County Police Reserve Officers Association parade April 4 in San Anselmo is displayed this week by El Carmelo Parlor, Native Daughters of the Golden West.

The local parlor's drum corps, under the leadership of Captain Ellen Pieri, marched off with second honors in the women's drum corps division. The trophy has been added to the numerous others won by the corps in previous contests.

Dressed in snappy green and white uniforms, the team was made up of Captain Pieri, Nadine McDonnell, Doris Vernengo, Kathleen Day, Barbara Ford, Dorothy Linehan, Mary Thimiss, Marie Gilbrech, Yvonne Hulme, Johanna Schwarz, Majorettes Betty Duffy, Lorraine Remmer and Verna Moreno.

Green and white, the drum corps' colors, were prominent March 17 at the parlor's St. Patrick's Day social, which was sponsored by the corps.

Few Traffic Fines Here Last Week

A record low in traffic fines was collected in Daly City traffic court during the week ending last Friday.

Fines were collected from Terrell Bobo and Robert Milroy, for speeding; John Bunch, Claire Dixon, Peter Odabashian, Frank Pace, Ray Zieske and Jim Robland, for parking violations; Vernon Cannon, Bernard Hoffman, John Quintana, Ellsworth Pine and Martin Strohmaier, signal or arterial violations, and from Andrew Meletis for noisy muffler.

The membership captains, the executive committee designated the Bank of America as official campaign headquarters during the week of May 17-23, with supplemental headquarters at the Record Rack after 3 p.m. A dinner for all association workers will be held on opening day, May 17, with Mrs. Claude Hamrahan in full charge of arrangements.

It also was announced Monday night that 50 memberships would be reserved for students—at half the membership fee, plus federal tax.

Membership in the association entitles the holder to attendance at all concerts in the series. No tickets can be purchased for individual performances.

The board of directors now listed includes Mrs. Pearl Jones, Mrs. Stella Jensen, Stanford Hannah, R. L. Crane, Melford Battye, Peter Markovich, Mrs. M. Pauline Brown, Carter Callan, Joseph Leonetti, Mrs. Hohn, Mrs. Ramon Gomez, John J. Fahey Jr., and Vincent J. Murphy.

Edward J. Mooney, building engineer for the San Francisco Stock Exchange, and Fred Bertetta, Rio Grande Oil Company driver, will take their seats for the first time next Tuesday night at a special meeting of the Daly City council in the spacious city hall chambers.

The two political newcomers, who electioneered on the same ticket, were elected by a 50 and 23 majority over the incumbent councilmen, Edward J. Dennis and Daniel A. Dolan, and over Julius F. Castelan, an independent candidate.

Out of a total of 5,421 registered voters in Daly City, a comparatively large number of citizens—3,168—cast their ballots at the city's 13 precincts. Complete tabulation of the returns were recorded at:

Mooney, 1530; Bertetta, 1503; Dennis, 1480; Dolan, 1410, and Castelan, 191.

Burton C. Ross, incumbent city clerk, filing uncontested for reelection, was elected by a vote of 2437. Paul G. Selmi, local real estate and insurance broker, and sole ballot candidate for the post of city treasurer, was elected by a 2379 vote.

Arnold Bennet claimed one vote by the written method for city clerk, while three written votes were tabulated for Florence Stockton and one for George Wheeler for the job of treasurer.

Meanwhile, elections in the Colma incorporated area were called off early Tuesday morning when ballots for the Lawndale district were discovered missing.

Colma City Clerk E. A. Weisenberger, who had received the election paraphernalia on April 1, could not offer any solution to the disappearance of the ballots, which he said were positively included in the material when it arrived. They had disappeared from his office, he said, sometime between their arrival and the morning of the scheduled election.

Speculation as to their whereabouts caused a beehive of activity at all three Colma polling places during the day. The clerk must now file another petition for election with the governor's office in Sacramento.

Bank Manager To Attend Conference

Fritz Erickson, manager of Bank of America at Daly City, leaves Friday for a three day conference with 600 other key executives of the bank of Asilomar, on the Monterey Peninsula.

At the opening session on Saturday, Bank of America President L. M. Giannini will deliver a keynote address, followed by a free discussion forum. Remainder of the conference period will then be given over to departmental sessions devoted to the betterment of banking services throughout California.

"It's all in line with our institution's habit of leadership," Erickson said today. "We want to be prepared to go along with California's future."

The local banker expects to be back at his desk next Tuesday.

Woman Injured In Gas Explosion At Mission St. Home

Mrs. Cora Standridge, 40, 6995 Mission street, was treated at Junipero Serra Hospital Monday for second and third degree burns sustained in a gasoline explosion in her kitchen.

The woman was severely burned when she attempted to rescue her young daughter and granddaughter from the flaming interior of the room after an explosion had broken the kitchen window and seared the walls.

Mrs. Standridge told firemen and police she was washing a pair of dungarees with gasoline in a shower room adjoining the kitchen, when the fumes ignited, causing an explosion.

Her daughter Janet, three years old, and granddaughter, eight-month-old Shirley, were carried to safety by her husband George. Janet was treated for first and second degree burns.

Elmer Kennedy, fire chief, said the explosion probably was caused by the pilot light on the gas stove igniting the gasoline fumes.

WISCONSIN WALLOP

The state of Wisconsin packs a potent political punch. In 1944 it knocked Wendell Willkie out of the presidential race. This year it delivered a stunning blow to General MacArthur and a stinging jab to Governor Dewey.

On the other hand, the muscles of the Badger State have propelled the White House ambitions of Harold Stassen to a new high and have forced GOP leaders to take a closer look at the man they have regarded so lightly. Some experts, however, are inclined to discount Stassen's surprising victory because Wisconsin is just next door to Minnesota where his influence is strongest. But it should be noted that the experts didn't mention that point prior to the election.

It is becoming customary for each primary test to be hailed as crucial before it is held, and as of little importance—according to the losers—after the results are in.

But the fact remains that it never hurts a candidate to win most of the delegates in any state.

BIG JOB

Paul G. Hoffman, the newly-appointed administrator of the European Recovery Program, has undertaken one of the toughest assignments ever tackled by any man. On his shoulders will largely rest the economic salvation of Western Europe. Peace in the world is closely tied in with that salvation. If Mr. Hoffman can make the Marshall Plan work—that is, see to it that the more than \$5 billion in aid is used to help the nations help themselves, and not let it become a mere handout—he will have achieved an enormous amount of good. It's going to take a lot of diplomacy, a lot of finesse and a lot of firmness to get the best results, but he appears to be the man who can do it. The American people will be rooting for him, not only because so much depends on the success of his job, but also because they are tired of pumping billions into foreign aid channels only to see them vanish down the rat-hole. This time they want their dollars to show some real results.

REAL SECURITY

General Eisenhower is a strong exponent of military preparedness, as would be expected. But while urging speedy action in the rebuilding of our fighting forces he points out that something more than armed strength is necessary for national security. In his final report as Chief of Staff he declared: "Security cannot be measured by the size of the munitions stockpiles or the number of men under arms or the monopoly of an invincible weapon. That was the German and Japanese idea of power, which, in the test of war, was proved false. Even in time of peace the index of material strength is unreliable, for arms become obsolete and worthless; vast armies decay while sapping the strength of the nations supporting them; monopoly of a weapon is soon broken. But adequate spiritual reserves, coupled with understanding of each day's requirements, will meet every issue of our time."

MOVIE STUFF

The escape of 20 Czechs from Prague by plane had all the drama and suspense of a Hollywood production. After the airliner had taken off on a regularly scheduled flight from Prague to Bratislava in Czechoslovakia somebody shoved a gun under the pilot's nose. The co-pilot, who with two other members of the crew, was in on the plan, then took the controls and headed the plane westward toward the American zone of occupation in Germany. Apparently, 14 of the passengers had planned the getaway and were joined by three more when the plane was taken over during the flight. It's surprising (or is it?) how many people want to get away from the new "freedom" in Czechoslovakia and the risks they will take to do it. Anyway, 20 more Czechs have checked out without permission.

PENSIONS FOR ALL

This November we're going to have the all-time, all-provide something for everybody. It's the old "Ham 'n' Eggs" idea made up into a new political salad—but what a salad! It includes such tasty bits as the legalizing of bookie joints and all forms of gambling; pensions of \$100 per month for persons over 60; \$30 a week sick or disability payments to anyone over 18; \$100 jobless allowance for those involuntarily out of work; the same amount for retired school teachers, ministers, widows with minor children, blind persons and those permanently disabled. Besides this it would reapportion the State Senate, regulate oleomargarine, public lands, surface mining, water pollution and certain methods of healing. Best of all—from the standpoint of the principal sponsors of the measure, that is—it would create a pension commission of five—each to get a salary of \$15,000 annually. And the bill states just who those five commissioners shall be. Their names sound exactly the same as the five principal sponsors. What a coincidence.

FOREIGN LEGION

One of the prize stories of the war recently came out when it was revealed that young Scotchman was picked in England as an American Army "deserter" and sent "home" to the United States. He was later discharged and given \$300 mustering out pay. It seems that he ordered coffee in a Southampton tea shop and was arrested by the military police who figured that only an American would do such a thing. After being grilled he "confessed" to being a deserter, served a brief term and then was shipped to America. He also collected over \$900 in GI unemployment benefits before giving himself up to immigration authorities.

SPORTS

By Ralph Capps

Alas, the long discussed and debated issue of who will cop the Jefferson Basketball league is answered, or rather will be answered by the time you read this. Unfortunately, and unavoidably the deadline for this article is before the Thursday night game play-off. I can tell you, at this writing, that the tie between Colma Boys Club and the Sportsmen, for first place in the final standing, results in a playoff between the two. I can also tell you how it came about.

Last Thursday evening the Alex Johnson Roofing company, after eading all the way, staved off a desperate closing period rally to defeat Union Liquors 28 to 25. This eliminated the Union Liquors team from the title contenders and left the Sportsmen and Colma Boys Club in a tie with seven wins and one loss apiece. The Roofers, strengthened by the return of Prescott and Rerecich, played superior ball and were not threatened until the closing minutes of the game. Rerecich and Prescott scored nine points each, but Union Liquor's Red Dunn was high point man of the game with 12 points.

On the same night the Army Hilltoppers' last chance to break into the win column was quenched by the San Bruno Athletic Club as Army went down in defeat by a 23 to 32 score.

Thursday night's opener saw the Sportsmen, led by Dillon's 16 points, win their final regular game 42 to 22 over the San Bruno Lions. This clinched at least a tie for the lead in the final standings with 8 wins and one loss. With this result the crowd of about 150 eagerly awaited the second game between Union Liquor and the Colma Boys Club. The crowd was not disappointed as the close, tense, and excellently played game ended with a final spurge on behalf of the Colma Boys to bring them victory; a tie with the sports and a playoff bribe. Jack Murray led Union Liquor with 8 points and Greenough, Menicucci, and Savely scored 9, 8 and 6 respectively for Colma.

The Sportsmen have been beaten only by Joe Sarto's boys, but has since improved considerably. Colma has also improved, however, and the playoff winner will have to play the game of their lives. Colma Boys Club's single defeat came at the hands of Alex Johnson's Roofers.

Next week I will give you the results of the playoff, an all-league team, and some statistics of the league.

LEAGUE STANDINGS

	W	L	Pts.
Colma Boys Club	8	1	16
Sportsmen	8	1	16
Alex Johnson Roof.	7	2	14

Mrs. A. Waldvogel Feted At Surprise Stork Shower

A surprise stork shower honoring Mrs. Arthur Waldvogel, of 134 Woodrow street, was given last week at the home of her sister-in-law, Mrs. Marion Eldrup.

The honoree was escorted to the shower by another sister-in-law, Mrs. Margaret Eldrup, who suggested they stop at the Eldrup home on their way to a luncheon engagement. When they arrived, guests were assembled to surprise Mrs. Waldvogel with their fete.

The party rooms were decorated in a festive manner, with appropriate adornments in pink and blue covering the walls. Gifts were presented in an original manner—attached by lengths of pink and blue ribbon to a picture of the Waldvogels centering one wall. Storks stood guard over attractive arrangements of cradles, booties, bassinets and such properties at various points throughout the rooms.

The baby theme was carried out even to the refreshments, with sandwiches and biscuits fashioned into cherub shapes. Two cakes were served—one topped with a stork and one with a lamb. Pink cocktails were served with the hors d'oeuvres.

An indoor treasure hunt captained by the honored guest's niece, Marilynne Eldrup, was played, among other parlor games.

Bid to fete Mrs. Waldvogel were Mesdames Bergit Anderson, and Gina Julien, aunts of the honoree; Mesdames Sabina Julien, Claire Anderson, Edna O'Brien, Lulu B. Dickman, Frela Firchow, Laura Keene and Miss Marilynne Eldrup.

New Arrivals

To the wife of Frank E. Watson, 96 Parkview avenue, March 28, a daughter.

To the wife of William H. Whalen, 357 Evergreen avenue, April 2, a son.

To the wife of Edwin A. Zugar, 42 Vista avenue, March 28, a son.

To the wife of Plinio Rutz, 6813 Mission street, April 4, a daughter.

To the wife of Clyde R. Lynch, 6458 Mission street, April 7, a daughter.

To the wife of Wade G. Locke, Colma, April 3, a son.

To the wife of Herschel B. Malvin, 420 Citrus street, April 11, a son.

Jeff Track Team To Participate In Davis Meet

Jefferson High School will enter a track squad in the Cal Aggie High School Track and Field Meet at the annual 35th Picnic Day, April 17, on the University of California College of Agriculture campus at Davis.

The meet is arranged each year by the students and faculty of the Davis campus. Competition has been divided into class A, B, and C schools based upon enrollment. In addition to the events for the larger athletes, a limited class has been established for the smaller entrants. Seventy-two schools are expected to have squads entered, totaling nearly 1000 athletes. The meet is the largest high school track meet in the United States.

For Picnic Day, the students and faculty have planned exhibits and demonstrations of instruction and research for the people of the state interested in agriculture. "New Frontiers in Agriculture" is the theme around which the day is being built. The students will present a fashion show, parade, horse show, and two dances to round out a full day of activities.

Advance Loans For Home Repairs Available To Vets

An additional benefit afforded veterans buying homes or farms under the provisions of the California Veterans Farm and Home Purchase Plan enables them to obtain advance loans from the Department of Veterans Affairs for repairs, correction of deterioration or for altering or remodeling dwellings.

Floyd D. Granger, Veterans Service Officer of San Mateo county said applications for advance loans may be made at any of the following offices of the department:

Sacramento, 700 Capitol avenue; Fresno, 472 Palm avenue; Los Angeles, 201 Heartwell building; Los Angeles, 110 State building; Oakland, 2129 Grove street; San Bernardino, 244 Third street; San Diego, 434 Spreckels building; San Francisco, 417 Montgomery street; San Jose, 852 The Alameda; Santa Barbara, 306 Balboa building.

Information may be obtained from the Veterans Service Office, located at the county courthouse, Redwood City.

Any veteran whose state contract has been in effect for not less than three years may apply for a loan to make needed repairs or reconstruction his property. The amount is limited to 20 per cent of the current appraised value of the property, or 50 per cent of the difference between the appraised value and the unpaid balance of his contract, whichever is the lesser.

Granger said loans also may be obtained to correct deteriorating conditions caused by termites, dry rot or other means unknown at the time of purchase.

Veterans may obtain remodeling loans if the improvements are judged necessary to meet the needs of his family occupancy. The amount allowable for this purpose is limited to the difference between the unpaid balance of the purchaser's contract and the maximum purchase price authorized by law. A complete plan and specifications must accompany the application for alteration or remodeling.

DRIVING NEAR PARKED CARS

Motorists should exercise special caution when driving near parked cars. If children or irresponsible adults dart out from behind such obstructions, the motorist should be able to stop quickly and safely.

CASH FOR YOUR HOME

Regardless of condition or age of your home, we'll pay spot cash for it now! If you've considered selling, you'd better act now, while values are at their peak.

SMOKE SIGNALS

By Carolyn Bucher

On Friday, April 9, after a brief assembly, each class, with the exception of the high senior, held a homeroom meeting. The purpose of the homeroom meetings was for pre-registration of students for the next fall term. The high seniors remained in the auditorium and discussed plans for their coming jinx and ball.

The members of the Girls' Peninsula League held an important meeting on Friday, April 9. The purpose of this meeting was the election of new officers. The girls chosen to fill the various offices are: Jane Bernath, president; Joan Vittori, vice-president; Louise Chessman, secretary-treasurer.

A banquet was given for Coach Glenn South and Clarence Lair by the members of the Boys' Block "J" Society. For many of the boys it will be their last year at Jeff and they took that opportunity to show their appreciation to those two coaches for their patience and instruction in the past years. The banquet was held at a neighborhood restaurant and a good time was had by all who attended.

The English classes at Jeff are writing the essay, "Our Great American Heritage—Liberty," as a part of their regular assignments. Fifteen of the best essays submitted by Jefferson students will be selected by faculty judges and will be sent in to the competition in the National American Essay Contest.

I would like to give a little recognition in this column to one of the many clubs at Jeff, Los Hildalgos, better known just as the Spanish Club, has at present 52 members. Meetings are held twice a month, and there are no initiation fees or membership dues. The club sponsor is Mr. Miguel. As was mentioned last week, the Spanish Club has a Latin art display in the main hall at Jeff.

In the past, students of this class have written letters to high school students in the Latin-American countries in the hope of furthering friendly relations with those Latin neighbors and acquainting them with our customs and education.

Along with its other activities, the Spanish club finds time for occasional social activities. One of their more outstanding social activities was a dinner at a Spanish restaurant and a movie at a Spanish theater.

On Saturday, April 10, the annual girls' volleyball day was held at Burlingame High School. Four teams from Jeff were represented at this play day. The interschool games began at 10 a.m. and continued until 12 noon. Because it was an all-peninsula play day and many schools were present, Burlingame's three gyms were filled to capacity with volleyball teams from various schools. The outdoor pool was at the disposal of the girls between games. After lunch an entertainment was presented in the main gym by a class in modern dancing from Stanford University, which terminated the play day for this year, and the teams came home tired but happy.

Card of Thanks

May we offer our heart-felt gratitude to the numerous friends and relatives who sent floral pieces and remembrances on the death of our beloved James M. Callan; and particularly to the Daly City Police Department, the Veteran Firemen's Association, and W. C. Lasswell and Company for their thoughtful response. The family of James M. Callan

County Condemns Pioneer Grove; Logging Stopped

Condemnation proceedings on the property in Pioneer Grove, heavily timbered area which the county intends to purchase as part of a wide coastside recreation project, were started last week by order of the board of supervisors.

The decision to start proceedings immediately was brought about by the start of logging operations in the area by several lumber companies. Meeting in special session, the board directed district attorney's office to initiate an "eminent domain" suit naming the Santa Cruz Lumber company and several other firms which have interests in the grove.

At the same time, Deputy Sheriff John O'Brien served on the operating companies a temporary restraining order demanding work stoppage in the grove. The order was issued by Superior Judge Aylett R. Cotton. The court had been asked to find the value of the land, to fix damages and to grant immediate possession to the county.

According to county authorities, the Santa Cruz Lumber company has felled some 57 trees since starting its logging operations early last week, and has undercut several more in preparation for felling. Chief Civil Deputy A. S. Whitmore said the company had been notified by registered letter April 2 that the county planned to purchase the land, and that it must have started operations "immediately upon receipt of the letter."

Affidavits from Ralph Shaw, director of county recreation; his assistant, Mathew Thilgen, and Frank Skillman, secretary of the county planning commission, were received last Thursday by Judge Cotton.

The affidavits state that the timber in the grove has been destroyed for lumber purposes because of improper felling; that the methods used were injurious to soil conservation. Skillman's affidavit certifies that he had written to the company of the county's intention to buy the land.

Two New Courses

For the benefit of the people in the Mission District, Horace Mann Adult School, located at Twenty-third and Valencia streets, is presenting classes in dressmaking and typewriting.

These classes are now open for registration and are in session Tuesday and Thursday from 7 to 9 p.m. Training is afforded in these courses for beginning, intermediate, and advanced students.

Cause Of Deep Sea Reverberation Sought

What causes reverberation of sound in the deep sea—the underwater echoing from objects distributed throughout the ocean—which perplexes submarine sonar operators by masking signals picked up by echo-ranging apparatus?

Science doesn't know—but is trying to find out.

Dr. Russell W. Raitt, senior research associate in the University of California's Marine Physical Laboratory which is investigating underwater phenomena under a contract with the U.S. Navy Bureau of Ships, and Dr. Martin W. Johnson, associate marine biologist of Scripps Institution of Oceanography, are seeking to learn the nature of the marine objects responsible for the reverberation.

These objects are presumably organic, say Drs. Johnson and Raitt, according to a biological hypothesis first advanced in 1945. There are at least three large classes of marine organisms which could cause the scattering of sound in the ocean: the small plankton, the moderate-sized shrimp, or the large fish and squid.

New experiments utilizing net hauls in conjunction with acoustic determinations and other techniques of investigation are being worked out to gather information about the sea-going sound reflectors and to test the biological hypothesis.

WHEN STEERING IS HARD

Misalignment of the front wheels is prone to communicate itself through an increase in energy required to steer the car, declare officials of the National Automobile Club's service department. It takes greater alertness, however, to detect it in these days of extremely light steering.

Have the alignment checked at the first suspicion of a change in the car's steering qualities. Bumping a front wheel against the curb, or just the normal battering of the wheels on a normally smooth road, is likely to affect alignment, or what the engineer refers to as the "steering geometry." Misalignment always has been and always will be one of the greatest enemies of long tire life.

Pay Inducements For Calif. National Guard Members

California National Guardsmen will receive longevity pay for attending weekly training periods under the terms of a bill signed last week by President Truman, Major General Curtis D. O'Sullivan, adjutant general of California, announced today.

Previously, California National Guardsmen received longevity pay only for the 15 days spent in summer field training. Longevity pay amounts to a 5 per cent increase over base pay for each full three years of service in the National Guard or other components of the Armed Forces, including the active and inactive reserves.

Guardsmen receive the equivalent of a full day's Army or Air Force pay for each of 48 2-hour weekly training periods and for 15 days summer field training. It is estimated nationally that of the 208,345 enlisted men now in the Guard, about 40 per cent or 84,000 are veterans of whom a substantial number will be eligible for longevity credit.

All of the 22,698 officers are veterans with the exception of a small number of doctors, chaplains, and other specialists.

An estimated 30 per cent of current new enlistments are veterans and their number is expected to be increased by the new pay rules.

Electric Power Restrictions Are Temporarily Ended

Mandatory electric power restrictions in northern and central California were temporarily ended today by order of Robert P. Brien, emergency power director.

The order is effective immediately and runs until June 1, 1948. Reasons as given by O'Brien for temporary lifting of restrictions are:

1. The higher than seasonal normal snow and rainfall of the past two weeks which has improved northern and central California hydro-electric resources.
2. New inter-connections from northern California which have added 80,000 kilowatts as of last day afternoon.
3. Daylight saving which in turn saving power.

In announcing lifting of controls, Brien warned the public that continued voluntary savings in power use must be accomplished to stify a continuation of what he termed a "voluntary conservation program."

While there will be no mandatory curtailment of existing connections, new loads will still be governed by the established conservation committees in the various areas.

TIRE TROUBLE

Much automobile tire trouble traceable to foreign objects which become imbedded in the tire surface, eventually puncturing the tube.

The first French prune trees California were grown by Le Pelletier of San Jose, from those obtained in France in 1856.

In the meantime, O'Brien's staff will conduct a survey of the impact of the lifting of controls, and keep close watch in various areas on increased load, and assist all committees in screening applications for new loads.

O'Brien asked these committees to keep in touch with his representatives in connection with new screening work and any other possible changes which may develop in the program.

NEWS FROM THE SCHOOLS

CROCKER

Room 2
The pupils of low fifth grade welcomed Gordon Christianson to their class on April 5.

Room 3
We have been studying about weather and such. We are certainly given a chance by Mother Nature to predict conditions by watching the changing clouds.

Room 4
Gloria Espinoza and George Spoulos have returned after a long siege of illness. Karine Miller entered high sixth from Klamath Falls, Oregon, on April 6.

Room 5
The high seventh grade students are at present learning the geography of China and something of its history. Some of the children have drawn large maps and pictures of China, and everyone is preparing a folder of the unit's work for Public Education week.

These high seventh boys are on the Crocker baseball team: Billy Valentino, Edward Christianson, Jimmy Herman, Edward Haussler, Gary Anderson, Jack Phillips, Leo Winn, David Martinez, Donald North and Harold Dimond.

Crocker's first game was played against Woodrow Wilson. The score was 7-2 in favor of Crocker.

Room 6
Florence Christianson has entered the low eighth from Fairmont School in San Francisco. Low eighth and high eighth have completed work on the operetta "H.M.S. Pinafore," and have their work displayed on the hall bulletin board.

WOODROW WILSON

The students of the seventh and eighth grades are studying early Greek philosophers. The students call these people the Greek "why men." The philosophers or "lovers of wisdom" always kept asking "Why? Why?" and they found the answers to many of their questions. One man worked out that the earth is round; another wrote a book to answer questions about the stars; another wrote a geometry book. One of their doctors curious about the body. He studied it so carefully that we call him the father of medicine. His name was Hippocrates. A famous Greek, Herodotus traveled and wrote a history book, so we call him the father of history. Indeed the children are finding out our roots are deep in the past.

The students of high sixth and low seventh grades have begun the study of the East Indies. They have learned that the East Indies lie in a zone of heavy rainfall and may be called the "Green Archipelago." There is no desert and very little grassland because everywhere there is enough rain to make a forest.

The fifth grade boys and girls have been studying about effects of tobacco and alcohol on the body. They are very interested in building good, strong bodies with proper food, rest and care.

The fourth grades have enjoyed some choral reading lately. They have been reading "The Queen's Breakfast" by A. A. Milne. The parts of the queen, the dairymaid, the cow and the king have been taken by various groups and the boys and girls have found it to be fun.

The boys and girls of the fourth grade are comparing the different types of homes in Mexico. The contrast was very evident when they learned how the large land owner

K. Of C. Plan Brilliant Affair Sunday, April 25

San Francisco council, No. 615, Knights of Columbus, will celebrate the resumption of its traditional fraternal number of "615," recently confirmed by the order's supreme board, with a major degree exemplification Sunday afternoon, April 25, and a brilliant dinner and floor show that evening, Grand Knight Dr. Roderick F. Gilbride has announced.

The "mother council" of the order in California, San Francisco council No. 615, will honor its past grand knights at the April 25 ritualistic exercises the afternoon of April 23, in Foresters' hall, 170 Valencia street, and elaborate evening banquet and floor show in the Fairmont Hotel gold ballroom.

The April 25 functions are in charge of a committee including David Johnson, Joseph Maunion, Robert I. McCarthy, Thomas McCull, William Cullen, Robert J. Steele, Dr. Joseph G. Mayerle and Charles F. Schroth.

with his hacienda lived compared to the grass hut of the poor peon.

The pupils of the third grade have been studying the coffee tree. They have learned the tree stands from six to twenty feet high. The leaves of the coffee tree are dark green and glossy. Mature leaves are about seven inches long and two inches wide. They grow opposite each other. The blossoms of the coffee tree are white and have a very sweet odor. The ripe coffee berries look like dark red cherries. When they are ripe they shrivel up like an over ripe cherry.

TRAFFIC CONTROL ON U.S. 40
Traffic controls during working hours are in effect on a five-mile section of U.S. 40 just north of Carquinez Bridge, reports the California State Automobile Association. Flagger are stationed at intervals to direct traffic around heavy construction equipment.

Blood Recipient Praises Work Of County Blood Bank

Thomas Arata, of 1424 B street, San Mateo, who in recent weeks underwent 52 blood transfusions, returned to his studies yesterday at University of Santa Clara. He had been a patient at Mills Memorial Hospital.

The youth, who is in post graduate law classes at the university, was at death's door from internal bleeding and in need of constant transfusions of a rare type of blood. Fellow classmates and other donors, obtained by the San Mateo County Blood Bank, kept up the supply of blood which brought about his recovery. The necessary supply was processed day and night by the staff of the county blood bank.

In a letter received at the blood bank last week, telling of his recovery, Arata said:

"Neither I nor my family can adequately give expression to our gratitude for the splendid work of the county blood bank. I can, with knowledge born of experience, vouch for the value of this wonderful institution to each individual. San Mateo County's blood bank is doing a job of which every citizen can justly be proud."

"Hospital Day" At Race Track To Aid Children

The building fund of the Children's Hospital in San Francisco will receive the entire proceeds of the advance sale of admission tickets and the day's returns at Bay Meadows, next Saturday, April 17, known as Hospital Day, and one of three Charity Days in the current thoroughbred racing meet by the California Jockey Club, General Manager William P. Kyne has announced. Tickets for the April 17 benefit meet are available at many agencies throughout northern California, including hotels, stores, news-stands, cigar-stores, clubs and institutions. During the past decade the proceeds of Children's Hospital Days at Bay Meadows have brought to the hospital's emergency activities and building fund close to a half million dollars.

A special Hospital Handicap feature race is included in the eight-race thoroughbred card Saturday afternoon, at Bay Meadows. Post-time for the first event is set for 1:30 p.m. Special trains, autos, buses, planes and other convenient means of transportation will be available to and from Bay Meadows throughout the day. Free parking facilities are available at the track for ten thousand automobiles.

MONA TO BE PRESENTED
Ramona, the dramatized version of Helen Hunt Jackson's classic romance, will be presented at the Ramona Bowl near Hemet, California, at 2:45 p.m. April 17, 18, 24, 25, May 1, 2. This brilliant and romantic spectacle of early California being staged by the combined efforts of over 600 residents of Hemet and San Jacinto.

MAY I TAKE THIS MEANS TO OFFER MY SINCERE GRATITUDE TO ALL THOSE FRIENDS WHO SUPPORTED ME IN THE CAMPAIGN JUST ENDED.

I WISH TO THANK THEM FOR THEIR RECOGNITION OF MY EFFORTS DURING THE FEW MONTHS I WAS PRIVILEGED TO SERVE IN THE COUNCIL AND TO WISH THE NEWLY ELECTED COUNCILMEN A SUCCESSFUL TERM.

DAN A. DOLAN

Why Power Curtailment Was Suspended

Abnormally heavy late season rains, new P. G. and E. power, and more power from other sources combine to end shortage

Heavy rains and snows during the last month raised P. G. and E. reservoirs and increased the snow pack in the mountains enough to permit the suspension of curtailment, at least temporarily.

Here is what brought about the change:

1. **January weather in Springtime**... which replenished reservoirs, increased the snowpack and cut the need for unseasonable farm pumping.
2. **New P. G. & E. power plants**... like the 101,000 horsepower Kern Steam Plant near Bakersfield which is expected to be in operation this month, and others coming on the lines soon.
3. **Additional power from other sources**. We are tapping every feasible source of power. For example, increases in deliveries from Southern California and Shasta Dam.
4. **Daylight time and voluntary savings** by our customers. These also helped, and it is important now that they continue.
5. **Water saved during curtailment**. We were able to hold precious water in our reservoirs because of the power cut.

Another appraisal of water and power supplies will be made by June 1.

Meanwhile, We're Working Night and Day on New Generating Plants

Everything possible is being done to rush P. G. and E.'s long-term power building program initiated in 1945. This huge construction program will add nearly 2,000,000 horsepower to our generating capacity in the next 3½ years. Here are some of our major projects which will come on the lines soon:

Kern Steam Plant, near Bakersfield, will generate 235,000 horsepower. The first 101,000-horsepower Kern unit is expected to go on the line in the next few days.

Electra and West Point Powerhouses on the Mokelumne River, will generate 154,000 horsepower. Electra's 133,000-horsepower will be on the line this summer.

Another Steam Electric Unit... An additional 150,000 horsepower steam unit at a location as yet undetermined will be completed in 1950.

Station "P" Steam Plant, San Francisco, will produce 300,000 additional horsepower. It will go on the line this winter.

Rock Creek and Cresta Powerhouses, on the North Fork of the Feather River, will generate 270,000 horsepower. These plants are scheduled for completion in 1949 and 1950.

THANKS FOR YOUR HELP DURING THE EMERGENCY.
We know you will continue to guard against waste of electricity in every way you can.

We wish to express our thanks to each and every one of you for the consideration extended us during the recent City Council campaign. Your efforts in our behalf have made it possible for us to represent you on the City Council in the next four years. We will extend every effort possible to give you the type of representation you voted for. Again, a most heartfelt "thank you" for your splendid support and consideration.

New Eagles Auxil. To Get Charter In First Rites Sunday

Close to 150 names on the registration list of new Eagles Auxiliary members will be officially recorded on the charter of the newly formed group Sunday afternoon at institution ceremonies for the first Eagles auxiliary in the bay area.

Mrs. Doris Black, organizer of the auxiliary, which is affiliated with the local Colma-Vista Grandeerie, announced this week that members will be initiated and installed in a 1 p.m. ceremony Sunday.

Tomorrow night, April 16, the group will meet in Eagles Hall to select first officers and to become acquainted. The Friday meeting will begin promptly at 8 p.m.

Officials of San Mateo Auxiliary No. 440 will be present Sunday to conduct institution rites for the new group. Members of the local group will provide entertainment and refreshments.

Mission Adult Schl. Insurance Course

Latest addition to the curriculum of Mission Adult School will be a class in insurance, Robert F. Ray, principal, announced today.

Registration for this new course will commence April 14. The instructor, John F. Martin, a novice in the field. A member of the National Association of Insurance Agents, he is a former lecturer in insurance at the University of California Extension.

This course will be of value to insurance company employees and anyone alike. It will embrace all forms of insurance, with special emphasis on life, fire, and real estate insurance, and will be in session every Wednesday from 7 to 9 p.m.

Knowledge of Pharmacy UNSEEN BUT ESSENTIAL TO EVERY PRESCRIPTION

Only licensed pharmacists with college education and long experience in their profession are permitted to fill prescriptions in our Pharmacy. Our first consideration is to fulfill your physician's desires.

PALOMAR OBSERVATORY IS OPEN TO VISITORS

Palomar Observatory's spectacular gallery is open to visitors every day in the week from 8 a.m. to 4:30 p.m., but use of the telescope is not available to the public.

The Observatory, atop Palomar Mountain, where the 200-inch reflector telescope, the world's largest, is being readied for use, is reached by a drive of about 50 miles from Oceanside on U.S. 101, north of San Diego.

Colma "21" Club To Sponsor Dance As May Day Fete

Another of the dances for which the "21" Club men are now noted will be sponsored next month in Colombo Hall at Colma.

May Day will be the occasion for the event, with Carl Fortina and his seven-piece orchestra providing music for dancing from 9 'til 1.

Tickets to the affair are priced at 90 cents, including excise tax. The "21" boys, organized after the close of the war, have since become popular as hosts of brilliant affairs.

U.C. Signs New Atom Contract

At the request of the Atomic Energy Commission, the University of California has agreed to operate for another four years the atomic development facilities at Los Alamos, New Mexico, President Robert G. Sproul has announced.

A new contract, effective July 1, was signed by Robert M. Underhill, secretary-treasurer of the university, and by Carroll L. Tyler, manager of the Santa Fe directed operations of the Commission.

President Sproul said that it was understood that the Commission's request was made because it has been well established that government laboratories often have a greater vitality when operated in close affiliation with a major university.

The famed laboratories, where the atomic bomb was designed and made, were established by the University in the beginning of 1943, and have been operated since then on a year-to-year basis as the Los Alamos Scientific Laboratories of the University of California.

The University operated the laboratory for the Manhattan Engineer District from its inception until the end of 1946, when the Atomic Energy Commission took over the district's activities. It was during this earlier period that the Los Alamos facilities were used for the development and assembly

Symphony Music Attracts Artists On Peninsula

"Music on the Peninsula" continues to attract musicians in this area who know what it means to have access to a fully organized symphony orchestra. The Peninsula Symphony Orchestra with Nathan Koblick conducting, meets every Monday evening at 7:30 p.m. in the San Mateo High School Music Building. Anyone interested in joining this group is certain of a warm welcome and a sympathetic appraisal of ability.

Early in May, the Symphony will give its first concert of the season, and every community on the peninsula will be represented. An interesting though not surprising discovery about the members of the orchestra is that nearly every one of them follows the hobby trail in some form or another, ranging from gardening to mechanics, and with many diversified activities in between to contrast with their music.

MOTOR VEHICLE PRODUCTION

Motor vehicle production of American factories for the first two months of 1948 was 9 per cent higher than that for the first two months of 1947. While 788,662 units were turned out during January and February of this year only 721,056 were turned out during the same months of last year.

of the bombs later used at Alamogordo, Japan, and at Bikini.

MOTOR EFFICIENCY
Although most modern automobile engines will perform for long periods without attention, there is nevertheless a gradual deterioration not noticed by the average

driver, says the California State Automobile Association. To insure maximum performance at all times, a periodic engine tune-up is recommended.

When enclosed basins of sea water evaporate, the dissolved salts are precipitated and may form extensive beds of common salt.

ual Help church, 60 Wellington
avenue.

News Column For The Veterans

Veterans needlessly take the
chance of losing their money and
their insurance protection when
they mail cash to pay premiums
on National Service Life Insurance
policies. Veterans Adminis-
tration warned.

A number of NSLI policyhold-
ers continue to send cash to VA
branch offices for premium pay-
ments. Early in March, a VA
branch office received an envelope
with \$2,700 in \$100 bills, to be ap-
plied to a veteran's insurance ac-
count.

VA pointed out that a veteran,
making the insurance payments in
cash through ordinary mail, has
no way to prove he made the pay-
ment in the event of a loss to reach
VA. Failure to receive the money
leaves VA no choice but to lapse
the policy.

Veterans are urged to use money

orders, postal notes (with the re-
verse side filled out in full), or
checks for NSLI premium pay-
ments, and also to use the yellow
envelopes furnished by VA in mail-
ing the payments to the appropri-
ate VA branch office.

Veterans in California, Nevada
and Hawaii should mail their Na-
tional Service Life Insurance pre-
miums to Veterans Administration,
Collection Division, 285 New
Montgomery Street, San Francisco
5, California.

Question: After I was discharged
in 1945, I dropped my \$10,000 Na-
tional Service Life Insurance pol-
icy. Later I reinstated \$2,000 of
this and now I would like to know
if I can reinstate the other \$8,000?

Answer: Yes, you have until
July 21, 1948 to reinstate, usually
without a physical examination,
provided you are in as good health
as you were at the time of the
lapse. Reinstatement is made by
filling out an application form and
by payment of two monthly premi-
ums.

Question: I am a veteran of the
last war, but while in service I
did not take advantage of National
Service Life Insurance. May I file
an application and get National Ser-
vice Life Insurance now?

Answer: Yes, but you will be re-
quired to pass a physical examina-
tion.

Question: I am a veteran of the

Elks Will Fete Appointees Of Mayor Robinson

Robert H. Schaefer, newly-appointed member of the San Francisco fire commission, and Walter J. Hickey, a recent appointee by Mayor Elmer E. Robinson to the board, will be feted by their fellow Elks of San Francisco at the Benevolent and Protective Order of Elks, next Friday evening, April 16, at a "Forty-two Years After" program, with Ex-Ruler Eugene J. Corbett presiding.

Thomas W. Hickey, exalted ruler of the San Francisco lodge of Elks, is invited to head the speaking program of "Memory Lane."

An informal stag dinner party bringing the San Francisco Elks' representatives in the national Elks' handbook championships concluded in Chicago will precede the lodge session and "Forty-two Years After" program, and missionaries Schaefer and Hickey will be guests of honor at a supper following the lodge session and "Memory Lane" feast.

Exalted Ruler Eugene J. Corbett and Junior Past Exalted Ruler George E. Bader will be feted Friday evening, April 24, at the formal banquet.

Notice of Guardian's Sale of Real Estate At Private Sale

No. 12918
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Guardianship of the Person and Estate of THIRTEEN KEENEY WALKER, minor.

NOTICE OF GUARDIAN'S SALE OF REAL ESTATE AT PRIVATE SALE.

Notice is hereby given that MARJORIE CUTTEN ROCHE, formerly known as MARJORIE CUTTEN WALKER, guardian of the person and estate of KATHLEEN KEENEY WALKER, a minor, will sell at private sale to the highest bidder, under the terms and conditions hereinafter mentioned, subject to confirmation by the court, the following real property, to-wit: A certain lot and part of lot 17, situated in the City of San Mateo, County of San Mateo, State of California, described as follows:

Portion of Lot numbered seven (7) as shown on that certain map entitled "Map of Hillsborough, Situated in the City of San Mateo, San Mateo County, California," which map was filed in the office of the County Recorder of San Mateo County on December 9, 1912 in Book 8 of Maps at page more particularly described as:

BEGINNING at a point on the westerly line of Fulton Road (now known as Bromfield Road) in which the point of intersection of the southerly line of said Fulton Road (now known as Bromfield Road) and the westerly line of Bromfield Road (now known as Fulton Road), as said roads appear on the map above referred to, North 61° 06' East 141.90 feet, running thence from said point of beginning, South 29° 54' East 87.20 feet; thence South 60° West 145.03 feet to the westerly line of Lot 17 above referred to; the Northeastly line of said certain strip of land 10 feet conveyed to the Town of Hillsborough for the widening of Hillsborough Boulevard by Deed of Anglo-California Trust Company, a corporation of The Town of Hillsborough, a body politic and corporate, dated March 5, 1927 and recorded March 7, 1927 in Book 6 of Official Records at page 179, cords of San Mateo County; thence North 29° 54' West along said line 89.82 feet, more or less the southerly line of Fulton Road (now known as Bromfield Road); thence North 61° 06' East along the southerly line of Fulton Road (now known as Bromfield Road) 145.03 feet to the point of beginning.

Terms and Conditions of Sale: Cash in lawful money of the United States of America, 10% (ten percent) of the purchase price be deposited with bid. Balance confirmation of sale by the court. Deed and policy of title insurance at the expense of the purchaser. Taxes and insurance if any, to be prorated as of date of delivery of deed.

All bids or offers must be in writing and may be delivered to the office of H. O. MUNDHENK, attorney for said guardian at 315 Montgomery Street, San Francisco, California, or may be delivered to said guardian personally, or may be filed at the office of the clerk of the above entitled court, any time after the first publication of this notice and before the making of the sale.

Dated: April 1, 1948.

MARJORIE CUTTEN ROCHE, formerly known as MARJORIE CUTTEN WALKER, guardian of the person and estate of KATHLEEN KEENEY WALKER, a minor.

Irish Bishop To Address The Hibernian Club

"The Church Speaks of Labor" is the topic of an address by Most Rev. Bishop Michael J. Browne of Galway, Ireland, at the regular monthly luncheon meeting of the Hibernian Luncheon Club next Monday, April 19, at 12 noon, in the Whitcomb Hotel ballroom. A recognized authority on the sociological questions of our time, Bishop Browne is stopping over in San Francisco en route to Australia, where he is to address the centennial celebration of the Archdiocese of Melbourne.

Superior Judge Preston Devine will be the special guest of honor at the meeting. President George R. Reilly will be chairman, assisted by Jeremiah J. Mulvihill, vice-president; Leo Ryan, secretary; Matthew J. Dooley, master of ceremonies; Walter A. McGovern, finance chairman, and Adolfo De Urriost, program chairman.

Serra High Mothers Have First Social

Despite a heavy deluge on the afternoon of April 5, approximately 350 matrons, presenting a post-Easter fashion display, attended the dessert-bridge party sponsored by the Serra High School Mothers' Auxiliary. The party marked the first 1948 social activity sponsored by the organization.

Plans are now being made for a Spring Carnival May 16, from 2 p.m. until dark. Dinner will be served in the school cafeteria.

Mrs. J. J. Loretz, who is in charge for the Mothers' Auxiliary, has planned an apron shower for the April 21 meeting of the auxiliary, to be held in the cafeteria at 1:15 p.m. Freshman mothers, with Mrs. E. E. Barker, Mrs. M. McHenry, Mrs. G. Alden, Mrs. L. Kenney, Mrs. G. Garbaldo and Mrs. W. Quinn, will be in charge of arrangements.

Stage Play Has Top Spot In S. F. Theatre Showings

As the sensational Broadway and London dramatic hit "Deep Are the Roots" goes into its third week at the Tivoli Theatre in San Francisco, it becomes more and more apparent that the tradition encrusted Eddy Street playhouse has once more returned to its own as one of the West Coast's leading legitimate theatres, and that Ray Spencer is destined to become one of the leaders among those who are working toward making this part of the country, and San Francisco in particular, a producing center that will rank second to none.

In presenting "Deep Are the Roots" at the Tivoli, Mr. Spencer has not only demonstrated that he is capable of doing a play in a manner that has been favorably compared with the best that Broadway has to offer, but that his attractions can be made to pay at prices within the reach of every pocketbook. And in addition to cutting the usual cost of tickets for this type of presentation from a third to one half, the young producer is also offering attractive discounts to parties of fifty or more.

Among the members of the cast which has come in for high praise from the usually ultra-critical San Francisco theatregoers, and newspaper reviewers are Robert Warwick, Rose Hobart, James Edwards, Curt Conway, Don Beddoe, Betsy Blair, Jessie Grayson and Franki Lynn, the majority of whom are well known as screen favorites as they are for their stage successes.

During the run of "Deep Are the Roots" at the Tivoli, no performances will be given on Monday evenings. Matinees are scheduled for Saturday and Sunday only.

Happenings At San Mateo Jaycee

Colleen Sheehan of San Carlos, Joan Jorgensen of Millbrae, and Alice D'Isop of Daly City were three of the queen candidates in the contest held by San Mateo Junior College students at the Coronation Ball at the Hotel St. Francis last Friday night. The Associated Women Students arranged the dance while the staff of the college yearbook planned the contest. Miss Sheehan won the position of queen against 18 other candidates. She represented the college Press Club. The queen was crowned by President Charles Morris and was given a large gold cup. Each of the other 18 candidates received a small gold cup as an award.

Judges for the queen contest were Mayor Edward Reilly of San Mateo, Freddie Francisco of the San Francisco Examiner, and Betsy Blair and Rose Hobart, members of the cast of "Deep Are the Roots," now playing in San Francisco.

"The State of the Union," the comedy the college Players will stage April 22, 23, and 24 in the college auditorium, will depict political life in this country and will present scenes that are right up to date. Miss Ada Beveridge, director, has an experienced staff of actors and stage hands this semester, with the members drawn from the entire county.

The alumni of the junior college engineering department will have a reunion dinner in San Francisco April 30, with over 100 members already signed up. Others should write Adviser Sam Francis at the college if they can come.

Over 60 representatives attended a conference of student leaders at the college last Friday. Representing 14 junior colleges, they discussed student governmental problems.

THIRD ANNUAL SPORT SHOW OPENS APRIL 30 IN CIVIC AUDITORIUM

The greatest public event in San Francisco since the world's fair on Treasure Island will open April 30 when the Sports, Travel & Boat Show presents its third annual spectacle in the Civic Auditorium.

Not a single phase of outdoor recreational activity has been overlooked in this most elaborate sportsmen's show ever undertaken west of Chicago. More than three acres of exhibits will be spread over the vast floor space of the Civic Auditorium. Each day and night will be highlighted by a sports stage show presented beside a huge indoor lake. Contests in a variety of sports categories, entertainment, demonstrations and motion pictures will run continuously throughout the sportsmen's paradise.

The gigantic exposition falls into three main divisions encompassing sports, boating and travel with three beautiful queens reigning over each section.

Everything that is new in sports equipment from the smallest trout fly to a personal helicopter will be on display. The list of exhibitors will include manufacturers of every type of sporting gear from fishing, golf, tennis, badminton, archery and hunting to trailers, motorcycles, scooters and station wagons.

Aquatic sports lovers will see the largest assembly of yachts ever gathered on the Pacific Coast. Boats to be displayed will range in size from two man fishing craft to huge 42 foot three cabin cruisers. Leading manufacturers from

Baltimore to San Francisco will have their 1948 models on display. Aluminum boats, a comparative newcomer to the American boating scene, will be present, in force. Several northern California builders are constructing special crafts for display at the show.

The travel section of the exposition will offer vacationists a complete selection of west coast resorts, dude ranches and spas. Guides from Canada, Utah, Nevada and other sections of the country will be on hand to give attendees first hand information on hunting and fishing attractions to which they can lead the rod and gun devotee. Airline companies will offer packaged fishing flights to such far away angler's havens as Alaska and New Zealand.

Co-starring with the array of exhibits will be a large cast of scintillating stars, all champions in the field of sports, who will present a sports stage show afternoons and evenings. Entertainment will range from fly and bait casting acts on a large indoor lake to a ski jump from a runway built atop the rafters of the auditorium. Included in the demonstration by champion performers will be Cliff Wallace with his trained Spaniel and Laborador dogs, retrieving live ducks from the tank; the Cycling Diacoffs, thrilling girl cycling team; diving Eddie Jones of England; champion gymnast Dwight Davis; and fourteen other sports champs.

For California, it's a world's fair of sports.

Social Club Owner Gets \$500 Fine On Gambling Count

Joe Toy, 41, San Francisco man arrested February 28 in a gambling raid on a South San Francisco social club, was found guilty of operating a card game when he appeared before Judge John J. Fahey, jr. in First Township Court Monday.

Toy was one of 15 Orientals arrested in a raid led by Walter Moore, chief deputy sheriff, on the Tue Yuen Club near the Cow Palace. They were booked in Daly City jail.

The case was prosecuted by deputy district attorney, Fred Wyckoff, while F. E. Hoffman, San Mateo attorney, represented the defense. Penalty was \$500 fine.

Present Awards To Den 16 Cubs

The regular meeting of Pack 36, B.S.A., was held Wednesday evening at St. Francis Community Church, where awards were presented by Mr. Smith, Cubmaster.

The boys from Den 16 receiving awards were Dick Hopman, chief denner; Carl White, assistant denner; Richard Emerson, wolf; Dick Hiett, bear and gold; and Don Williams, bear and gold.

The baseball coach, Vic Yerby, announced that Pack 36 had won the second game of the season against Pack 123, 14 to 3.

The next den meeting will be held Friday afternoon at 27 Gambetta street.

Citizens' Pension Committee Head To Speak Here

"In these days of ever increasing prices it is clear that the elderly people of the state require more than the present Old Age Security grant of \$60 to live on," said George McLain, chairman of the Citizens' Committee for Old Age Pensions in a meeting of the organization last night in Oakland.

"I believe an increase to \$75 a month is consistent with the intent of the welfare laws when they were set up in 1929," he said. A measure to amend the State Constitution, increasing the aged pension to \$75, aid to the needy blind to \$85, eliminating the responsibility of relatives to contribute, and making the office of State Welfare Director elective, sponsored by The Citizens' Committee for Old Age Pensions is assured a place on the November ballot, according to McLain. There will be a meeting of the organization, to which the general public is invited, in Daly City at Little Italy Hall, 6229A Mission street, Tuesday, April 20, at 1:30 p.m.

Republican Women Invite Public To April 20 Meet

The San Mateo County Council of Republican Women has invited the public to attend its meeting Tuesday, April 20, at Gunst House, 900 Burlingame avenue, Washington Park, Burlingame.

Mrs. Walter C. Cribbins, public relations chairman for San Mateo County Republican campaign committee, will give a talk and Dr. Emma Macomber will speak for the Cancer Society.

Both speakers will be introduced by Program Chairman Mrs. William J. Hayes. Mrs. Myrtle Clark Stearns, president of the council, will preside. Business meeting will begin at 2 p.m. and program will follow at 2:30 p.m. Miss Cleo Prineas, hospitality chairman, will be assisted by Mrs. Eleanor Larke in serving refreshments.

Wilson P.T.A. Chooses Delegates To Coming Confabs

Delegates to the state and district conventions were elected at the executive meeting of the Woodrow Wilson Parent Teacher Association when it met Tuesday at the home of Mrs. Virginia Hunter, 19 Guadalupe. Co-hostesses were Mrs. Catherine Duffy and Mrs. Wilma Riley.

The state convention will be held from May 12 to 15 at Sacramento and the incoming president and vice president were elected delegates. The district convention will be held April 15 at Redwood City and will be attended by Mesdames Frieda Cady, Ruth Emerson, Eleanor Cameron, Catherine Duffy, Jerry Hiett, Marie Miller, Genevieve Hayes and Wilma Riley.

A donation of \$5. proceeds from the sale of Lions show tickets, was sent to El Portal School in Burlingame.

April 22 is the date of the next hot dog lunch for the school children. All members were asked to be present for the regular meeting next Tuesday in the school at 2 p.m. Election of officers will be conducted at this meeting.

Marine Reserves Continue Training At Treasure Island

Bayonets clanged as youngish opponents parried and thrust with knives on the ends of their M1 rifles. Embryo Marines grunted and sweat as they labored to the shouted commands of their instructors, whose voices reverberated throughout the cold reaches of Hangar No. 2 on Treasure Island.

The training schedule of the 12th Infantry Battalion, USMCR, had suddenly been intensified. With summer camp looming closer, the battalion worked the revamped schedule with the purpose of getting in shape for field problems, range firing, and barracks life, generally.

That was last week. Last night the training continued, on an even faster tempo. Bayonet practice continued. Some of the rifle platoons "snapped in" with their weapons, in preparation for their three days on the rifle range. Taking its turn on the weekly schedule, another platoon went to the small bore range where recruits got the "feel" of what was coming by firing .22 weapons.

Machine gun classes have been stepped up to where a two hour Sunday morning class has been included, on a voluntary basis. Routine lectures such as nomenclature of weapons and interior guard duty have continued as usual. The inevitable close order drill has continued, but on the whole the reserve battalion is still far below the standards of the regulars in that respect.

A correction is in order against the copy which appeared in the April 8th edition of The Record. The local Marines, who entrain for Coronado on July 4 next, may return home by sea, with the transport steaming through the Golden Gate some two weeks later. The statement has caused some confusion. Readers may rest assured that, if the information is reliable, the troops and the transport will return together, as the Marines do not yet have webbed feet.

Announcement: All members of the 12th Infantry Battalion who are resident of Daly City are requested to meet at the Officer of the Day's desk at the entrance to Hangar No. 2, immediately after the next drill night, Wednesday, April 21.

"If I Were King" To Be Produced At Mt. Tamalpais

The 1948 Mount Tamalpais play, produced annually in the Mountain amphitheatre, will be "If I Were King," by Justin Huntly McCarthy. It will take place Sunday, May 23.

This stirring drama of the court of King Louis XI brings to the Mountain the story of Francois Villon, poet, scholar and drinker, who saved France from the 15th century Burgundian aggressors. A cast of Bay Area people will dramatize the story to a background of carefully selected music with colorful costumes and dances perfected by the Betty May group.

Among the players are John King, University of California player and ex-GI, who plays Villon, and Craig Roberts as the crafty French king.

Reginald Travers will direct the entire production with sets and costumes supervised by C. Leslie Crandall.

Last year more than seven thousand persons witnessed the spectacle which is in its 35th year. Special arrangements are being made to park autos close to the theatre, which is located on the western shoulder of Mount Tamalpais almost two thousand feet above the bay.

Young Daly City residents who would like to participate in the production should contact the Mountain Play Association, telephone Yukon 6-0917.

BAY MEADOWS SAN MATEO

on Bayshore and
101 Highway

W. P. Kyne, General Manager

OFF THE BLOTTER . . .

Six accidents, both home and traffic, resulted in personal injury and property damage during the past week in Daly City. Lawrence Oliver, 11, of 66 Faragut street, San Francisco, was treated at Junipero Serra Hospital Monday for a lacerated chin. The boy was injured when he fell while playing in the pool at Jefferson High School.

Robert Warnick, San Francisco motorcyclist, escaped injury last Sunday when he drove his motorcycle into the front door of the Central Club, 6282 Mission street. Warnick told police he had lost control of the vehicle. The door and adjoining window were broken.

Robert W. Skelton of Redwood City was cited for violation of the hillhold ordinance last Friday when his car rolled away from its parking place at Westlake and Miriam, crashing into a car parked in an empty lot. Both cars were damaged.

Property damage resulted in an accident Sunday between cars driven by Lottie Eva Church, San Francisco, and Frank Sudano, San Francisco, at School street and Junipero Serra boulevard; in an accident at Junipero Serra boulevard and 87th street between cars driven by Joseph Spottiswood, San Francisco, and Emanuelo Judice, San Francisco; and in an accident at Mission and School streets involving cars driven by William T. Pate, San Mateo, and Jose Antonio Barbieri, San Francisco.

A brownie camera and a pair of sun glasses were reported stolen last Sunday from the glove compartment of a car owned by John Caparuso, 241 Station avenue.

Mrs. Effie Jordan Elected Prexy Of Crocker P.T.A.

Mrs. Effie Jordan was elected to the presidency of Crocker Parent Teacher Association Tuesday in an afternoon meeting at the school.

Other members elected to serve on the new term's governing body were: Mrs. Marjory Tobias, honorary vice president; Mrs. Helen Holcomb, vice president; Mrs. Hilda Blackburn, treasurer; Mrs. Pearl Cain, recording secretary; Mrs. Eve Hobbs, financial secretary; Mrs. Ellen Wallace, corresponding secretary; Mrs. Julia Jordan, historian; Mrs. Ann Ingersoll, auditor, and Mrs. Frances Haussler, parliamentarian.

Installation will be held some time in May.

R. L. Crane, district superintendent and guest speaker, presided over the unit for the growth of the Jefferson Elementary School District.

Other speakers were Mrs. Gertrude Seiler, May Day Festival delegate, and Mrs. Ingersoll, health chairman.

In the line of business, the unit decided to purchase block letters for winners in the Crocker School recreation program.

Mrs. Dorothy Kramer and Mrs. Marge Calvin were hostesses for the day.

Miss Gloria Hasbun of Daly City, daughter of Mr. and Mrs. George M. Hasbun, of Central America, gave her hand into the keeping of Bishara Andonie last Saturday in a formal ceremony at Our Lady of Perpetual Help church.

An employee of the American Automobile association in San Francisco the bride was graduated from high school in Costa Rica and attended college in San Salvador. The benedict, also a native of Central America, is the son of the late Mr. and Mrs. George Andonie.

Escorted down the aisle by her brother, Abed Habun, the bride wore a fitted gown of white satin. The slim lines of her skirt ended in a brief train. Her veil was fingertip length, and her flowers a shower bouquet of white roses and bouvardia.

Mr. and Mrs. George Fredianni performed the duties of best man and matron of honor. Other attendants were Miss Mary Fredianni and Abraham Andonie, brother of the bridegroom.

On their return from a short honeymoon trip, the newlyweds will make their home at 3224 San Jose avenue.

OLPH Mothers Club Nominates Officers

A list of nominated officers for the new term was presented to members of Our Lady of Perpetual Help Mothers' club last Friday at a meeting in the school auditorium.

The list named Valetta Ennis, president; Theresa Sullivan, vice president; Susan Schroeder, recording secretary; Alice McGraw, financial secretary; Jean Denning, treasurer; Mary Calegari, Emily Garcia, Catherine Bradley, Lea Miller, Mildred Sims and Dorothy McInerney, board of directors.

For the afternoon's entertainment, a group of fourth grade students presented a portrayal of "Life in Holland," in costume. The entertaining skit was followed by a program of Dutch folk dances.

Brownies, New Girl Scouts Honored In "Fly-Up" Rites

"Fly-up" ceremonies for four local Brownies and investment of eight new Girl Scouts was held last Friday night in the Scout-house at 101 Parkview avenue.

The ceremonies, witnessed by some 50 parents and troop leaders, saw membership in Girl Scout Troop 16 enlarged to 21 girls. Brownies of Troops 8 and 15 who are not yet old enough for scout troop membership turned out en masse to witness the rites, in which they will take part at the age of 10.

"Fly-up" rites honored Carol McInerney and Patricia DeWitt of Troop 15, and Joy Beecher and Carol Hesselein of Troop 8. Arlene Callan, Beverly Craig, Carol Gari-baldi, Mary Hall, Anne Nolan, Betty Scott, Arlene Trapp and Yvonne Willford were invested as new scouts.

Girl Scout pins were awarded to these girls, who passed their tenderfoot rank: Patsy Boyle, Darlene Haynes, Welma Hathaway, Joann Meadows, Donna O'Dell, Vicki Schroeder, Peggy Sorensen, Sheila Sullivan and Janet Cirmele.

Home made cakes and cookies were served with beverages by the scouts, after the ceremonies. The girls and their parents spent the rest of the evening singing camp songs.

Leaders present were Mesdames June Boynton, Kay Sundermann, Lorraine Todhunter, Angie Thur, Marie Miller, Hilda Heagney and Thelma Hamilton, a guest leader. Committee members were Mesdames Thomas McInerney, Gertrude Rielt and Alice Weinberg, of Troop 15; Mesdames William Haynes and John Sorensen of Troop 1, and Mrs. Eleanor Cameron of Troop 8.

Parents present to witness the rites were Messrs. and Mesdames Hoyt Banks, Thomas McInerney, William Haynes, H. Schroeder, John Sorensen and McInerney; Mesdames Evalyne Cosad, Patrick Flynn, Gertrude Hiett, Elaine Singer, Beryl Scott, Lorraine Todhunter, Claire Ward, Lily Weinberg, Roy Beecher, Garibaldi, Wilma Hathaway, Eleanor Meadows, Christine Hume, James Keith, Nolan, O'Dell, V. Trapp, G. Cirmele, Scott and Flynn; and Mr. John Sullivan, Mrs. Statton and Mrs. Dorothy Boyle.

Catherine Banks, Loretta Berg, Lillian Boynton, Sharon Cosad, Anne Cheatham, Donna Hiett, Maureen McGraw, Dianna Singer, Wilma Scott, Beverly Sundermann, Carol Todhunter, Rae Alee Ward and Shirlene Weinberg, Brownies of Troop 15, attended the ceremonies.

\$15,000 Damages Asked In Injury Suit

A \$15,000 suit for personal injury to his eight-year-old son, James, was filed in San Mateo County superior court Tuesday by Delbert Stevens, of San Francisco, against Mrs. Robert K. Wahl and Henry E. Rang of Daly City.

The suit charges that the boy sustained a fractured arm last July when he allegedly tripped over a trailer owned by Rang and stored on the Wahl's vacant property at Los Olivos and San Diego streets.

17th District Prexy Speaks At Meet Of Pershing PTA

Foremost purposes and activities of the National Congress of Parents and Teachers, central organ of the thousands of PTA units throughout the country, were outlined last week by Mrs. M. G. Stroehmeier, 17th district president, before an audience of Pershing PTA mothers and fathers.

Mrs. Stroehmeier was one of two principal speakers at the unit's night meeting, held during evening hours for the convenience of working mothers and fathers. The district official, enumerating the congress' interests and ambitions, listed among its prime projects: 1, school education; 2, health; 3, world understanding; and 4, parent education.

None, she said, takes precedent over the others; they are interdependent upon one another for the ultimate good of world solidation.

Second speaker was R. L. Crane, Jefferson Elementary School District superintendent, who spoke on matters of importance in district administration and outlined plans in process for district school building and repairs.

Speakers were introduced by Mrs. George Freeland and Mrs. M. E. Nienstiel, president, introduced Mrs. R. A. Andreasen and Mrs. H. P. Eder, district officials, and the numerous other guests.

Entertainment was provided by Mrs. Freeland and Mrs. J. R. King, PTA Mothersingers, who rendered a duet accompanied by Mrs. Mary Laufberger at the piano.

During a brief business session conducted by Mrs. Nienstiel, plans for participation in the forthcoming May Day Festival were announced. The unit also planned to hold May meeting in the evening — an installation dinner at 8 p.m. May 4 at the school.

New Moth-Proofing Service Offered At Crocker Cleaners

Crocker Cleaners, the recently established dry-cleaning plant at the corner of Mission and Crocker streets has added a new attraction to its list of cleaning services.

Crocker now offers a new, patented moth-proofing on all garments processed in the plant—a mothproofing guaranteed to insure garments against moth infiltration for a period of six months or more.

Sam Jacobsen, manager of the store, said today the new processing rendered free of charge, is just one of numerous added services offered by Crocker—one of the largest, most modern establishments of its kind in Central California.

Jeff P.T.A. Hears Cancer Society Representative

The regular meeting of the Jefferson Union High School P.T.A. was held in the Little Theatre at the school Thursday afternoon, April 8. The pledge of allegiance was led by Mrs. Mary Crane, and Mrs. Frances Haussler read "Freedom Thought," Mrs. Eve Hobbs presided.

Mrs. Mildred McGeen, vice president and program chairman, introduced Mrs. Carr, who gave a short speech as the representative of the American Cancer Society. She also presented two instructive films on cancer prevention. Mrs. Haussler read a report on the district meeting which had been prepared by Mrs. Marge Calvin.

Stanford Hannah reminded the assembly that there would be "open house" at the high school April 27 in keeping with "Public Schools Week." Mrs. Catherine Duffy announced that on Friday evening, April 16, the music department of the high school will present a musical program in the auditorium to help raise funds for the department.

At the close of the meeting refreshments were served by Mrs. Julia Peterson and Mrs. Lillian Thomey.

For Extra Roominess and Riding Comfort

You're in for a wholly new conception of truck comfort when you look at a new light and medium duty GMC cab. It's away bigger than any previous GMC design . . . 7 inches longer, 12 inches wider across the floor. There's 8 inches more seating width . . . plenty of room for three . . . with nearly double the number of seat springs, all individually wrapped. More, seats are thickly padded and adjustable 3 1/2 inches.

There's 22 per cent more visibility through larger windshield, door and rear windows. There's draft-free comfort provided by new insulation and weather sealing, plus a unique built-in ventilation system that draws in fresh air and expels used air, with fresh air winter heating if desired. And there are plenty of other features, including dome light, ash tray, package compartment, dual windshield wipers, provision for radio. When it comes to comfort, you can't beat a new GMC.
